

# Citi Private Bank Art Finance – Your Art Working for You

As a pioneer of the concept of using art as collateral to provide a non-traditional source of liquidity, Citi Private Bank Art Advisors have the expertise and knowledge to guide you through the art world.

Art financing is available to collectors who have significant liquidity and can pledge internationally marketable art as collateral — paintings, sculptures, drawings and photographs by renowned artists.

## Dedicated Expertise

In-house team of art professionals, solely dedicated to providing expertise and knowledge of the art world

## Established Industry Presence

For over 30 years, Citi Private Bank has accepted qualified works of art as collateral

## Customized Loan Structures

Collaborating with our lending specialists, ability to provide unique loan structures to help meet the collector's vision

## Discreet, Seamless Service

Delivered with discretion, a comprehensive borrowing process – from valuation to inspection of art – providing a seamless experience

Art loans are extended to qualified borrowers on a secured basis. All loans and lines are made by Citibank, N.A. or an affiliate, equal credit opportunity lenders, and are subject to Citibank's, or such affiliate's, qualifications, underwriting guidelines and credit approval. Not all products and services are provided by all affiliates or are available at all locations. Please consult your Private Banker for further details.
